From up high you look so lonely
And when I talk to you alone
You'll think "that guy, he's the cream of the crop"
And when you think about me
Your heart'll stop

So check the big times that got the heart of robot
Like the big guys 'n the body buildin' muscle men
And I can see why you'd pick them over me
They all got, big trucks, big subs, and I'm not 18
Cuz I'm not 18 yet...

In 4 months I'll be one year away
But that's far too long, to wait I'm afraid
So go to the dirt bike track, pick you out a man
They might be riding all the time
But at least have they a career plan

So check the big times that got the heart of robot

Like the big guys 'n the body buildin' muscle men
And I can see why you'd pick them over me
They all got, big trucks, big subs, and I'm not 18
Cuz I'm not 18

4 months
You'll be in college far away
And that's all I have to say
You'll be in college far away
And that's all I have to say

So check the big times that got the heart of robot
Like the big guys n the body buildin' muscle men
And I can see why you'd pick them over me
They all got, big trucks, big subs, and I'm not 18
Cuz I'm not 18 yet,
Cuz I'm not 18
Cuz I'm not 18 yet, oh oh
