17 and runnin' up the stairs, my baby bear  
7 lonely hours that I've been without a shower  
Until you and I meet in the bathroom with the water on  
Steamin' up the room with little but a towel on

And you are my high  
And you are my high just like

A joint or two just hangin' out the window in September  
On the 28th I'll be dethroned and sent to clean up my  
act  
4 months in a penitentiary where I can read  
And think I'll make it home

And you are my high  
And you are my high just like  
And you are my high, oh

Everythin' I said last night when we were in the car  
Tellin' you I knew, I knew, I knew that we would make it  
far  
Everyone in this town will see  
Someone like you could be with someone like me

Even fairy tale characters would be jealous  
Even fairy tale characters would be jealous  
Even fairy tale characters would be jealous  
Even fairy tale characters

And you are my high  
And you are my high just like  
And you are my high

Doo doo, we've been singin' the bad song  
Doo doo, we've been singin' the bad song  
Doo doo, we've been singin' the bad song  
Doo doo, we've been singin' the bad song  
Doo doo, we've been singin' the bad song  
Doo doo, we've been singin' the bad song

Doo doo, we've been singin' the bad song  
(And you are my high)

Doo doo, we've been singin? the bad song  
(And you are my high just like)  
Doo doo, we've been singin? the bad song  
(And you are my high, oh)  
Doo doo, we've been singin? the bad song

Doo doo, we've been singin? the bad song  
Doo doo, we've been singin? the bad song
