This goes down to my pretty, pretty girls
Pretty pretty girls, pretty pretty girls, girls

I like a big girl with a big booty
Small waist and the face she a cutie
I like skinny girls with them a cups
Long legs with them middle bity butts
Yeah I like a big girl that can cook like my mama
She know the way through a man's heart's through his
stomach
I like it... same girl I can turn up
I like a pretty chick already turned up
I like them shy and dirty, a...
College girls straight a's in the classes
I like a flirty personality, a little... she always making
passes
I like them 30 or even older
Cause there ain't nothing like cool to love
Pretty lady I'm a fool for ya
I wrote a song about who I love

I love girls, I love girls, I love girls so much I think I'm
lesbianism, lesbianism,
Let's be honest, just being honest, just being honest
I love girls, I love girls, I love girls so much I think I'm
lesbianism, lesbianism,
Let's be honest, just being honest, just being honest

I like a rich chick, spoiled and paid
I take a broke chick, that I can upgrade
I dig a thug... broad that can dress up
Quick to fight a nigger every time I mess up
You ain't gotta be a model or a perfect 10
You give me a 7, 8, or 9
Even if you a 5, shawty bring a friend
Cause 2 5's make a dime every time
I love them in the... when they get it...
A daddy's girl...
Even if she got a couple of kids, that's cool... know what
it is
I like them sexy, naughty, know how to party

Cause ain't nothing like groupie love

Little mama I'm a fool for ya
I wrote a song about who I love
I love girls, I love girls, I love girls so much I think I'm
lesbianism, lesbianism,
Let's be honest, just being honest, just being honest
I love girls, I love girls, I love girls so much I think I'm
lesbianism, lesbianism,
Let's be honest, just being honest, just being honest

This goes out to my pretty, pretty girls
Put your hands up if you a pretty, pretty girl
... go, oho oho, pretty, pretty girls
All around the world, my pretty, pretty girls
This goes out to my pretty, pretty girls
Put your hands up if you a pretty, pretty girl
... go, oho oho, pretty, pretty girls
All around the world, my pretty, pretty girls
I wrote a song about who I love, love,

I love girls, I love girls, I love girls so much I think I'm
lesbianism, lesbianism,
Let's be honest, just being honest, just being honest
I love girls, I love girls, I love girls so much I think I'm
lesbianism, lesbianism,
Let's be honest, just being honest, just being honest
I love girls, I love girls, I love girls so much I think I'm
lesbianism, lesbianism,
Let's be honest, just being honest, just being honest
I love girls, I love girls, I love girls so much I think I'm
lesbianism, lesbianism,
Let's be honest, just being honest, just being honest.
