Outside, I lay tongue-tied
Oh, help me escape now
Cuz I'm on the brink now
Inside, I'm confusing
I have myself with these conflicting emotions
I'm on the brink of finding commotion

& who told you to take your time?
Cuz we got none
& I need some

Oh, hold me, we can kiss
I'll keep a secret of why I miss you
Everyday you ease the pain
Everyday I stay the same

Outside, I lay tongue-tied
Oh, help me escape now
Cuz I'm on the brink now
Inside, I'm confusing
I have myself with these conflicting emotions
I'm on the brink of finding commotion (x2)
