(Yea yea yea yea, no no no nooooo nooooo)x2

I understand the you got a new man, but you can't say
you don't think about me.

And I messed up I know I had my chance, but the
feelings that I have just wont leave.

And maybe on a night when your lonely girl I can bring
that old thing back, and your dying to put it on me girl
there's no denying that.

So can I get one more chance to hear you just say yes
(yea yea yea)

Cuz if I wrap my arms around you I promise I wont let
go (I wont let go)

Girl I'm telling you I know nobody aint gon know yo
body like I know yo body (no no no nooooo)

Ima make it special, a night you'll never forget (baby I
just need for you to say yes)

I kno that you don't like to sneak around, relationships
are built upon trust.

And yea you got a man that holds you down, but he aint
got to know about us.

And if you ever feelin freaky girl you konw my number
aint gonna change.

I'll lay yo body nice and easy girl, my stroke is still the
same.

So can I get one more chance to hear you just say yes
(yea yea yea)

Cuz if I get you I promise I wont let go (I wont let go)

I'm tellin you I know nobody aint gon know yo body like I
know yo body (no no no nooooo)

I'm gonna make it special a night you will never forget
(baby I just need for you to say yes)

Girl I can't resist your pretty brown round round drivin
me so damn wild,

You can't front like you don't want what I got here in
store.

So can I get one more chance to hear you jus say yes
(yea yea yea)
Cuz if I get u I promise I wont let go (I wont let go)
I'm tellin u I know nobody aint gon know yo body like I
know yo body, I'm gonna make it special, a night you
would never forget (baby I jus need for u to say yes)
