when you're ready  
we'll just take it steady  
I know  
your eyes are heavy  
and our palms are sweaty  
and when the clock strikes nine  
I'll be on my way  
forgot to schedule in advance  
so i won't see you the next day.

oh...oh...oh.. oh o oh o o  
oh...oh...oh.. oh o oh o o  
oh...

these hearts take flight  
try as you might  
what is timing  
what if these hearts  
these hearts take flight  
try as you might  
what is timing  
what is february

oh...oh...oh.. oh o oh o o  
oh...oh...oh.. oh o oh o o  
oh...

these hearts take flight  
try as you might  
what is timing  
what does that mean  
these hearts take flight  
try as you might  
what is sadness  
what is symmetry
