Give me a word
Give me a sign
Show me where to look
Tell what will I find (will I find)
Lay me on the ground
Fly me in the sky
Show me where to look
Tell me what will I find (will I find)

Oh, heaven let your light shine down (x4)

Love is in the water
Love is in the air
Show me where to go
Tell me will love be there (love be there)
Teach me how to speak
Teach me how to share
Teach me where to go
Tell me will love be there (love be there)

Oh, heaven let your light shine down (x4)

I'm going to let it shine (x2)
Heavens little light gonna shine on me
Yea yea heavens little light gonna shine on me
Its gonna shine, shine on me
Its gonna shine, come on in shine
