Oh when the punks go marching in, oh when the punks
go marching in

I wanna be in that number when the punks go marching
in.

Oh when the skins go marching in, oh when the skins
go marching in

I wanna be in that number when the skins go marching
in.

Oh when the pigs go marching in, oh when the pigs go
marching in

I wanna be in that meat van when the pigs go marching
in.

Oh when the wheels go marching in, oh when the
wheels go marching in

I wanna be in that number when the wheels go
marching in.
