You keep me hot and everyday with you's so special  
baby.  
So let me give you my love in a special way (Yeah)  
Hold me close girl cause every moment I'm with you, I  
cherish baby.  
I want to give you my soul and my spirit baby.  
You got it, got it. I want it, want it.  
I'm a make you feel like, feel like a woman.  
Just take it off, girl just take it off.  
I got what you need, I got what you want.  
Prettiest gift in the world, shining like diamonds and  
pearls.  
Lend me around you girl, lend me around you girl.  
So I can see that birthday suit, to see that birthday suit.  
(yeahhh!)  
I'm a wrap you up with a rose, shawty I'm loving them  
up here.  
(Up here, up here ohh)  
So slip into that birthday suit, so slip into that birthday  
suit.  
Happy birthday, it looks good on you...  
(It's your birthday, shawty it's your birthday)  
I got you in my bed with your birthday suit.  
(It's your birthday, shawty it's your birthday)  
You wear it well, and when I see that silhouette it makes  
me want to give you something that you'll never forget.  
I'm on fire, and how we desire, I'm burning baby.  
Being in love that you give keep me yearning baby for  
you.  
You got it, got it. I want it, want it.  
I'm a make you feel like, feel like a woman.  
Just take it off, girl just take it off.  
I got what you need, I got what you want.  
Prettiest gift in the world, shining like diamonds and  
pearls.  
Lend me around you girl, lend me around you girl.  
So I can see that birthday suit, to see that birthday suit.  
(Yeahhh!)  
I'm a wrap you up with a rose, shawty I'm loving them  
up here.  
(Up here, up here ohh)

So slip into that birthday suit, so slip into that birthday  
suit.

Happy birthday, it looks good on you  
(It's your birthday, shawty it's your birthday)  
I got you in my bed with your birthday suit.  
(It's your birthday, shawty it's your birthday)
