[Intro:]

Call me when your nigga ain't around  
I don't mind being the dude on the side  
Ya digg? !

Turn around, let me lick you from your neck down to  
your navel  
'cause shawty you look ready  
Forget the bed, I wanna lay your body right here on the  
table  
So just hold it steady

[Bridge:]

I'll go get the camera, we can make a movie  
I'm a put my hands up, lay back while you do me  
Jump right out the shower, into the jacuzzi  
Giving you what your body wants

[Chorus:]

I'm boyfriend number 2  
'cause the first he don't really seem like he know what  
to do  
I'm boyfriend number 2  
And I know you like it freaky so I'm gonna give it to you  
I'm boyfriend number 2  
If we don't fuss, don't fight, don't argue  
And second place always got a whole lot to prove  
So whenever you get in the mood  
(Just call) boyfriend number 2

Grab my hand  
I'm a pick you up and put you on the counter  
Girl you feel so sexy  
I'm not your other man  
I'm a take my time and kiss all around ya  
Only if you let me

[Bridge:]

I'll go get the camera, we can make a movie  
I'm a put my hands up, lay back while you do me  
Jump right out the shower, into the jacuzzi  
Giving you what your body wants

[Chorus:]

I'm boyfriend number 2,

'Cause the first he don't really seem like he know what  
to do

I'm boyfriend number 2

And I know you like it freaky so I'm gonna give it to you

I'm boyfriend number 2

If we don't fuss, don't fight, don't argue

And second place always got a whole lot to prove

So whenever you get in the mood

(Just call) boyfriend number 2

Ladies if you got a man and a buddy on the side say

Say yeah yeah yeah

If u be making plans cuz he don't hit it right say yeahh

(Just call me) I'm boyfriend number 2

'cause the first he don't really seem like he know what  
to do

I'm boyfriend number 2

And I know you like it freaky so I'm gonna give it to you

I'm boyfriend number 2

If we don't fuss, don't fight, don't argue

And second place always got a whole lot to prove

I got something to prove right now

Boyfriend number 2
