Say ladies!! You got to feel the rush ay [x2]

[Verse 1]

You lied out on the couch
Kissin me from head to toe.
You breathin hard like
Your oxygen cuttin low.
I grab my bare dick and
And in my skin we feelin good.
Im lickin round your nipple
Dick harder than some wood.
I started sucking on your bellybutton
With some ice.
Say ohhh yea
Baby girl i know your feeling nice.

Feel the rush
Feel the rush
When lovin you and me.
We feeling good
Like we trippin off that X-Ta-C. [x2]

[Verse 2]

You gotta
Feel the rush
From off one touch.
Give me one kiss
Got my dick standin up.
If you don't wanna do it all night
You outta luck.
I wanna make love, have sex,
And the fuck.
And we can do it all night
Without the lights
And if it's tight
Don't worry i'll make it right.
It's like we floatin
Off that X-Ta-C

High as a kite.
And I don't eat pussy girl
But tonight I might.

I wanna hit you from the front
And behind.
And we can do it anywhere
Wateva's on your mind.
Just sit back and recline
It's my time to shine.
Make you cum first girl
Before I get mine.
You need to
Let me know
What's your fantasy
And i'll fulfill
Every need
That you plan to see.
It's alright if i aint yo
Man to be.
But i promise girl keep it between
You and me.
You need to...

[Verse 3]

Say no mo playing tongue
I'll end up playin wit yo clit.
You scream my name
Say MARKUS!
Please give me dick.
I don't wanna rush
Baby girl let's move it slow.
We hittin foreplay
As we walk through the door.
OOHH BABY
OOHH BABY
OOHH BABY
Got me feelin good.
Say feel the rush
Feel the rush
Comin from my wood.
