Lift dat juicy skirt up you ain't gotta come up out of it
I love when I slide in it

(Verse 1)

You so amazing baby
You see da chevrolet candy painted
C-ride I can't be faded
Pay for ass you must be crazy
But a nigga might trick tonight
Go on a trip tonight
Straight to the flea pick what you like
Then it's back to the mo
Your legs in the air but your back on the floo
Yea get back on the floo
Or better yet hit the stage and get around the pole
I never wine and dine a ho
Hit it quick find me a finer ho
I'm tryna ease up in it matter of fact
I got kush got goose you can pass her that
I'm gettin one more dance then after that
Get your back checked out I'm tryna fracture that
So why you playin wit a nigga like u don't wanna
Open wide and let me see wat it's lookin like
That's right you like it I like it
Oo you into dykin that might be exciting
Now I got two chickenheads one chick giv da otha

I rather hit instead
And doin all that dere
Aye damn she beggin me to raw dat dere
NAW...

(Verse: 2)

Yea monday night I'm at the relax
Fuck your number I want your neck

Drunk wit a freak where a nigga might find me

Thursday night no low key at the mint
I'm wit dirtbag I can leave wit a bitch
Friday night we at coco's
Fall through the playa's club more hoes
Saturday night yea sin city
Then to the candyshop cuz dey wit it
Sunday night all but take one
Why the hell do u think they call her take one?
