Verse 1

Put yourself in my shoes,
You'd be saying why? Oh why?
Lord what have I done to be dealt this hand?

Verse 2

No matter which way that I turn,
Everywhere I look problems surrounding me,
I can't find my out from the mess I'm in,
And I think to myself.....

Chorus

What's it all about?
What's it all about?
It's just the thought of what may be,
Keeps going through my head,
All I can do is pray... pray... pray.

Verse 3

I need to see the future,
Maybe just a sign would reassure me,
To help me to believe that I'll make it through,
And I say to myself.....

Chorus

What's it all about?
What's it all about?
It's just the thought of what may be,
Keeps going through my head,
And all I can do is pray... pray... pray.

Chorus

What's it all about?
What's it all about?
It's just the thought of what may be,
Keeps going through my head,

All I can do is pray... pray... pray.

Middle 8

I'm angry at myself,
I should have seen this coming,
How long will it be,
Before I see a brighter day unfold?
'Cos I can't take it anymore!

Chorus

What's it all about?
What's it all about?
It's just the thought of what may be,
Keeps going through my head,
All I can do is pray.

It's just the thought of what may be,
Keeps going through my head,
All I can do is pray.
