Perimeters guarded  
Mother land's at stake  
There is no god today  
Gorund units arrive  
Bloodlust is the answer  
The Flying demons are on their way  
Battle cry  
The blood drunks roar  
Battle Cry  
Today they die  
Formations of horror  
Overwhelming power  
They will feel a world of pain  
Screaming vengeance  
Felling millions  
Today we feast today they burn  
Neuralized  
We act as one  
Impenetrable force  
Pray to your lord to save your life  
They come in numbers  
But they count for nothing  
Say your prayers because now you die  
Our knives will be tearing the enemies  
From ear to ear deafening screams  
There will be no prisoners of war  
Today we propagate - hate  
Fear the battle cry  
Fear the battle cry  
Perimeters guarded  
Mother land's at stake  
There is no god today  
Gorund units arrive  
Bloodlust is the answer  
The Flying demons are on their way  
Battle cry  
The blood drunks roar  
Battle Cry  
Today they die  
Formations of horror  
Overwhelming power  
They will feel a world of pain

Screaming vengeance  
Felling millions  
Today we feast today they burn  
Neuralized
