Your body is what I seek to live  
Damnation of your soul  
Possessed by the demon god  
Black forces I hold  
Hell is where I shall tread  
Infernal hole  
Symbol of impurity  
Forever I will roam  
I in you  
Till the day you burn  
Demonic energy  
Rots your soul  
Evil impels through your veins Consume Yourself  
Lashes of sins bleeding black  
Unholy realm  
I in you  
Till the day you burn  
Demonic Energy  
Rots your soul  
Watch the head turn  
Watch my soul burn  
This sow is mine  
Buring smell at 3am  
The witching hour is upon you  
Your visions fade as putrid vile  
The Touch of his hand wringing you  
Belial  
Legion  
Nero  
Lucifer's in you  
Wretched smiles and tears of blood  
Insides now rot in His unholy realm  
Exorcist and priests alike  
Have laid down their souls  
God stands as witness tonight  
The Adversary rules  
I in you  
Till the day you burn  
Demonic energy  
Rots your soul
