I'm too shy

I saw your picture and I
Really wanna meet you but I'm afraid to say
I'm too shy, I'm too shy, I'm too shy
But I know it'll be alright
I can see myself there wit cha
I'm too shy
Since I first saw your picture
Things have never been the same

Verse One:

Oh, sweetness, have a break, have a kit-kat
Saw you walk away then you looked back
Seen you on the odd occasion
You're the type of girl mamma told me to bring back,
You and I know the same old people
Yet the only people who's yet to meet
I'm lost for words, it's hard to speak and
Incase you were lookin' I'm all you seek, yeah
In my dreams your face I see and you
Don't be shy this is hard for me too
Let's get to know each other
We could be lovers if you're in, I'm in too
I'm nervous and my hands are shakin' coz
You're amazing, don't wanna let you go, go
Let's keep it on a low, low
But I gotta tell you

Chorus:

I saw your picture and I
Really wanna meet you but I'm afraid to say
I'm too shy, I'm too shy, I'm too shy
But I know it'll be alright
I can see myself there wit cha
I'm too shy
Since I first saw your picture
Things have never been the same

I'm acting fooling and I
Say something wrong that's why I'm afraid to say
I'm too shy, I'm too shy, I'm too shy

And I see them boys around you
Just hope I'm your type
I'm too shy
You got the smile I like
So I'm just gunna bring my a-game

Verse Two:

I don't know what to say, say, say
Tell me why do ya walk this way
Hope you find me attractive
Coz your Maori can't keep me away
I don't usually make the first move
But I won't risk losing you
Hi my name is Devolo, so
I hope you don't mind me close to you, oh
Up the tempo
Yeah let's work it
And your frame it picture perfect

Givin' up my bad ways are worth it
Don't believe me?
Let me interpret, yeah
Come chill with the D E V
You'll soon see the beast in me
My boat wanna sail your ocean
My love potion will make you scream

Chorus:

I saw your picture and I
Really wanna meet you but I'm afraid to say
I'm too shy, I'm too shy, I'm too shy
But I know it'll be alright
I can see myself there wit cha
I'm too shy
Since I first saw your picture
Things have never been the same

I'm acting fooling and I
Say something wrong that's why I'm afraid to say
I'm too shy, I'm too shy, I'm too shy
And I see them boys around you
Just hope I'm your type
I'm too shy
You got the smile I like
So I'm just gunna bring my a-game

Verse Three:

So baby don't be shy
Keep smilin' don't be shy
I'm shy but I don't know why
All I know is you is fly

Put your hands up in the sky
Let the music get us high
Let lose girl, yeah don't be shy
Don't don't, don't be shy
So baby don't be shy
Just smile and don't be shy
I'm shy but I don't know why
All I know is you is fly
Put your hands up in the sky
Let the music get us high
Let lose girl, yeah don't be shy
Don't don't, don't be shy

Chorus:

I saw your picture and I
Really wanna meet you but I'm afraid to say
I'm too shy, I'm too shy, I'm too shy
But I know it'll be alright
I can see myself there wit cha
I'm too shy
Since I first saw your picture
Things have never been the same

I'm acting fooling and I
Say something wrong that's why I'm afraid to say
I'm too shy, I'm too shy, I'm too shy
And I see them boys around you
Just hope I'm your type
I'm too shy
You got the smile I like
So I'm just gunna bring my a-game
