Sold it all, weed to blow, eater acid, needle doors  
Hell corner, 3 below, summer scorching, police patrol  
Mountain bikes, silent types, hit the corner, they  
screaming vice  
We through the door, that's common sense  
We hop the fence, might scop it nice  
But fuck that, was it your... to a dope boy, that's no 4  
Stunting hard, with the jews, like Camron and old boy,  
Yuck, that's no toy, nonsense, that's no noise  
That's silencer, on a black street,  
That's black street with no joy  
No yup yup till she yayo, no half stepping just raw  
nigga  
Get the job done, long as you can, you ass betting  
As expecting, I just wrecked, what it do baby?  
In dc, it's true baby like 2 necklace

I can dance, I can sell  
I'm just standing here selling everything  
I can dance, I can sell  
I'm just standing here selling everything  
Oh, oh, oh,

Hey look, when I was 17 my 20's went for 17  
Was fucking bitches in they 20's, funny I was 17  
I was that, that little red nigga, chasing green  
Selling dick and selling dreams, and everything that's  
in between  
Homie want a pill, do we wanna dip?  
We call that water big shoes, you smoke then it make  
you trip  
Bitch I get that money then I make it flip  
I throw the work up in the pot and then I start the work  
to risk  
Big money, my pass wagon, need 4 corners that's all...  
I'm balling, nba, outside my block jamming  
I got rocks up in my socks and they not for protection  
People catch me slipping then that's distribution and  
possession  
While they was putting half, I was selling hash  
Making all this dirty money, told my bitch to run a bath  
And it's not to wash my ass, it's to wash the cash

Headed to the bank with this fucking money while I  
laugh

I can dance, I can sell  
I'm just standing here selling everything  
I can dance, I can sell  
I'm just standing here selling everything.
