If you need to feel a love  
Right give you a way  
Give me a chance and I soothe your soul  
Dreaming, trying, you regain control  
Time is bright and so are we  
I can saw so you can reap  
Feelings to say [...] but it's cheap  
Love or life, can't say  
But it's easy to lose your way  
[...] ever don't go stray  
Let me die for you and I soothe your soul  
So, let's feed our love  
Breathe our love  
So, let's be in love  
Feed our love  
I guess that I need to feel it now  
Our eyes give us away  
But give me a chance and I'll soothe our souls  
Give me a try and we'll regain control  
Time is bright and so are we  
We can saw, we can reap

Feelings to say, and it's okay

Wrong or right, I can't say

So, let's feed our love

Breathe our love

So, let's be in love

Feed our love
