Yeah

Well let me prove it to you daddy

Am a Rucktuk girl

Close ya eyes lay back

And Imma show you my world

Classy sassy neva too nasty

Rule under the king

Does just what he ask me

Miss Lady Kayne keep it tight on the knees

Matching the Benz I own these keys

Tell by my swag it's a beast in the jeans

Pearls gonna give it to me

Cause Imma rose with the keys

AIGHT

Babbbby you can do it

Sing out

Say you can do it

Babbbby you can do it

I'll be your girl

I'll be your slave

I'll flaunt your pearl

Miss Mystery she's make belief

Your Christmas gift

Your birthday present

I'll be the tutor

You teach the lesson

Follow these hips

Follow my dip

Control the strips

You whip the ships
