(Verse 1)

Baby girl I don't know what you say when you're
looking at me
I wish I could tell what it means when I see you smiling
Baby girl I don't know where to go when you're
pointing at me
I've gotta know what it is that you girls are hiding

Come on let me hear it now
Get it on just lay it out
Come on let me have it now
I can take it

(Chorus)

Let me in on the Girl Talk
Do you say my name
Let me in on your Girl talk
What's the game I play
Gimme some of that Girl Talk
What you think of me
Are you dissing me, missing me, dreaming of kissing
me
Tell me baby

(Verse 2)

Baby girl I can't tell how you feel, gotta give it away
How can I act like a man if you keep me hanging
Baby girl I can't tell what you think don't know what
to say
What kind of move can I make when you keep me
guessing

Come on let me hear it now
Get it on just lay it out
Come on let me have it now
I can take it
