"Boyfriend No. 2"

[Intro]

Ha ha ha
Call me when yo nigga aint around
Ha ha ha
Or I might be the dude on the side
You dig!
Ha ha ha ha

[Verse 1]

Turn around
Let me lick you from yo neck down to yo navel
Cause shawty you look ready
Forget the bed
I wanna lay your body right here on the table
So just hold it steady

[Bridge]

I'll go get the camera
We can make a movie
I'm gown put my hands up
Lay back while you do me
Drop right out the shower
Into the jacuzee
Giving you what your body wants

[Chorus]

I'm boyfriend number 2
Cause the first one he don't really
Seem like he know what to do
I'm boyfriend number 2
And I know you like it freaky
So am gonna give it to you
I'm boyfriend number 2
Baby don't fuss
Don't fight
Don't argue
Cause 2nd place has always got a whole lot to prove
So whenever you get in the mood
(just call me)
I'm boyfriend number 2

[Verse 2]

Grab my hand
Ima pick you up and put you on the counter
Girl you feel so sexy
I'm not yo other man
Ima take my time and kiss all around ya
Only if you let me

[Bridge]

I'll go get the camera
We can make a movie
I'm gown put my hands up
Lay back while you do me
Drop right out the shower
Into the jacuzee
Giving you what your body wants

[Chorus]

I'm boyfriend number 2
Cause the first one he don't really
Seem like he know what to do
I'm boyfriend number 2
And I know you like it freaky
So am gonna give it to you
