Ohhh  
I'm gonna take my time  
I said I'm gonna take my time on ya body baby  
On your body baby  
Oh brake one  
Lingerie the mood is growing sexy  
Baby I am gonna give you all my love and foreplay  
Till your body shake  
I'm listening to the music of your moaning and I can't  
take it  
Baby we got all night ain't gonna be no rushing on your  
body  
That tingling sensation in yo thighs got you excited  
baby I am gonna give  
That good love  
The smell of your body got me in the zone  
You are about to get this thug love  
Ima be rough but gentle at the same time  
Baby you gonna love it  
I am a hold out until you get yours...

[Chorus]  
Cause I finish last  
Girl I will be patient ain't no need for racing tonight  
Cause I finish last touchin' in back rubs make lovin' the  
hot tubs  
I finish last cause girl your body is worth it you deserve  
it  
Don't be nervous Cause I'm yearnin' for ya body  
We're making love all night

Tonight we're gonna run into the sun baby I promise  
you'll be worn out when  
I am done  
Gonna love you gonna love you  
Don't be surprised if I ask for another round(round)  
Pleasing your body is the goal and I won't fail tonight  
I am gonna take you to ecstasy and love you right  
I am gonna cater to your every little precious need  
I'll put in over time to make sure that your pleased with  
me

And I am promising baby I am gonna hold out till you  
get yours  
Yes I'm slowing up the pace tonight

[Chorus]

I'll finish last  
Baby I'll be patient you love how I'm embracing ohhh  
yeah  
Cause I'll finish last touchin' in back rubs make love in  
them hot tubs  
I'll finish last cause boy your body is worth it you  
deserve it  
Don't be nervous but I'm yearning for your body  
(Cause I'll finish last)  
We're making love all night

Baby I'll make a vow to making love all night  
Baby just let it go and thank me in the morning time  
There's nowhere else I'd rather be and pleasing your  
body  
You go first and after you (I go after)  
Slowing up the pace tonight

[Chorus]

Cause I'll finish last  
Baby won't be patient ain't no need for racing tonight  
I finish last touchin' in back rubs make love in the hot  
tubs  
I finish last cause girl your body is worth it you deserve  
it  
Don't be nervous cause I'm yearnin' for ya body  
We're making love all night
