Oh, oh cheers to love again! oh, listen!
Who ever thought it could get like this again baby?
Feeling like weÂ're back on the first kiss
Listening youÂ're my lady
So much time we spent together
WeÂ've been together right or wrong
But I know that this is right where we belong, baby!
WeÂ're falling in love again
And I bet my life, girl my heart is yours
This time feels like we got another chance to love again
And IÂ'll be your man!

Chorus:
And IÂ'll be writing letters, girl, take my hand
IÂ'll be bringing flowers, IÂ'mma be your man
Forever youÂ're my lady, forever youÂ're my lady
Forever youÂ're my lady, forever youÂ're my lady
IÂ'mma take you shopping, show me what you want!
Get it? ainÂ't no problem, girl you got my heart
Forever youÂ're my lady, forever youÂ're my lady
Forever youÂ're my lady, forever youÂ're my lady

And when I look back in the past
Sometimes canÂ't help but to sit and laugh
Seems like we donÂ't been to hell and back, hell and
back
And everybody told us it wouldnÂ't last!
Full job, this is more than a crush
More than a rush, more than a school boy lust
Baby, this is the answer to love

Chorus:
And IÂ'll be writing letters, girl, take my hand
IÂ'll be bringing flowers, IÂ'mma be your man
Forever youÂ're my lady, forever youÂ're my lady
Forever youÂ're my lady, forever youÂ're my lady
IÂ'mma take you shopping, show me what you want!
Get it? ainÂ't no problem, girl you got my heart
Forever youÂ're my lady, forever youÂ're my lady
Forever youÂ're my lady, forever youÂ're my lady

We're falling in love again
And I bet my life, girl my heart is yours
This time feels like we got another chance to love again
And I'll be your man!

Chorus:
And I'll be writing letters, girl, take my hand
I'll be bringing flowers, I'mma be your man
Forever you're my lady, forever you're my lady
