[Chorus]

She had a lot of crooks trying to steal her heart never
really had luck could never really figure out how to fuck
(how to fuck)

She had a lot of niggas that couldn't go forever she
never had a real orgasm until I taught her how to fuck
(how to fuck)

[Verse]

For a second she was here now she there it's really
hard to bare that I was just a nigga that really taught
her how to fuck (I taught her how to fuck)

When she was just a youngin she didn't know how to
cook, how to carry herself didn't know how good she
looked til I fucked (til I beat it up)

I was the coach she was the rookie now she a pro at
throwing back that pussy I hope you like what I taught
her now she all shaved up no more Harry Potter

[Chorus]

She had a lot of crooks trying to steal her heart never
really had luck could never really figure out how to fuck
(how to fuck)

She had a lot of niggas that couldn't go forever she
never had a real orgasm until I taught her how to fuck
(how to fuck)

[Verse]

For a second she was here now she over there it;s
really hard to bare that I was just a nigga that really
taught her how to fuck (I taught her how to fuck)

Now she know how to get on top and ride it all night
long; Now she knows how to take it from the back real
nice & slow; Now she knows how to say just what she
need; She knows that she done lost a good thang (a
good thang)

[Bridge]

See I want you yo know that she's far from the usual
(far from the usual) And I just want you to know she's
far from the usual (far from the usual)

[Chorus]

She had a lot of crooks trying to steal her heart never
really had luck could never really figure out how to fuck
(how to fuck)

She had a lot of niggas that couldn't go forever she
never had a real orgasm until I taught her how to fuck
(how to fuck)
