Verse I:

I'm certain
Don't know what to do
I'm like a virgin
When it comes to loving you
And I can't word it
Something so brand new and I can tell
I'm not feeling like myself

Bridge:

Cause I can't sleep
Like I used to
Eat like I used to
Think like I used to
Be who I used to
And it's out of my control
Someone let me know

Chorus: (2x)

Is this the way love supposed to goooo?
I really need to know
Is this the way!

Verse II:

I'm going crazy
Cause that is how it seems
And as of lately
You been starring in my dreams
And it's amazing
Like nothing before the way you
Take me
And leaving me wanting more

Bridge:

Now I can't sleep
Like I used to
Eat like I used to
Think like I used to
Be who I used to
And it's out of my control
Someone let me know

Chorus: (2x)

Is this the way love supposed to goooo?

I really need to know

Is this the wayâ€¦!

Outro: (3x)

I need to

Know if

This is

The way

Love is

Supposed

To go

(SULTRY RUNS)

Chorus: (2x)

Is this the way love supposed to goooo? I really need to
know

Is this the wayâ€¦!
