Verse 1:

I still got your picture in the frame still staring at ya
looking in your eyes still wondering where you are (
where you are) and wonder who with i still be hanging
at the clubs we use to be at now how

Chorus :

Now i swore i saw ya there but it was just an illusion i
thought i saw ya there but i couldn't find you no where
and i swore i saw ya there but it was an illusion i
thought i saw ya there but i couldn't find you no where

Verse 2:

Then i had a vision from the past when we met at the
embassy suite said i use to stand there (stand there)
all the time i go back every now and then

Chorus:

Now i swore i saw ya there but it was just an illusion i
thought i saw ya there but i couldn't find you no where
and i swore i saw ya there but it was an illusion i
thought i saw ya there but i couldn't find you no where

Verse 3:

Is is my mind playing tricks on me my mind is playing
tricks on me my mind is playing tricks on me my mind
its my mind my mind my mind its my mind is playing
tricks on my cause somebody cause somebody put a
hex on me my mind is playing tricks on me my mind is
playing tricks on me my mind my mind

Chorus:

Now i swore i saw ya there but it was just an illusion i
thought i saw ya there but i couldn't find you no where
and i swore i saw ya there but it was an illusion i
thought i saw ya there but i couldn't find you no where
