Pleasure P:

I see the wind is blowing through her hair tonight ooh
and the champagne is flowing up in here tonight oh
lord she said, I'll give you my number if you promise to
call me and maybe later we can get into something
cause now I wanna feel you all up on me magic has
happened it must be my lucky night ay

Chorus:

And I must be the luckiest man in the world the way she
touched me got me feeling lucky oh ooh I must be the
luckiest man in the world this ain't suppose to happen
(vocalizing) I must be the luckiest man in the world
luckiest man in the world

Pleasure P:

I hear the music blasting in my ear tonight ooh ooh I
saw her dancing so I called her over here and I, I told
her my name and she said, \"I'll give you my number if
you promise to call me and maybe later we can get into
something\" cause now I wanna feel you all up on me
magic has happened it must be my lucky night ay

Chorus:

And I must be the luckiest man in the world the way she
touched me got me feeling lucky oh ooh I must be the
luckiest man in the world this ain't suppose to happen
(vocalizing) I must be the luckiest man in the world
luckiest man in the world

Grind:

I seen alot of supermodels groupies to look at what
they'll do for bottles but she's different she's so rare
she's so clean how you not gon stare she don't got a
wing but she walks on air I'm so greedy homie I don't
wanna share I may be hating but I don't really care
cause I don't wanna see her over there I want her right
here choosin she ain't got a choice between a Blue Ice
and a black rolls royce she looking for a man she don't
want them boys and I'ma make her scream till she got
no voice I'm still the lucky one I feel that way when you
touch me hun I feel like I could touch the sun it's alot of
dudes here but she fucks with one young Uh

Chorus:

And I must be the luckiest man in the world the way she
touched me got me feeling lucky oh ooh I must be the
luckiest man in the world this ain't suppose to happen
(vocalizing) I must be the luckiest man in the world
luckiest man in the world

Luckiest man in the world I must be the luckiest man in
the world
