Yeah, Yeah, Yeah, Yeah
No, No, No, No
Yeah, Yeah, Yeah, Yeah
No, No, No, No

[Verse 1:]

I understand that you got a new man
But you can't say you don't think about me
And I messed up, I know I had my chance
But the feelings that I have just won't leave
Whoa, Whoa
And may be on a night when your lonely girl
I can bring that old thing back { Yeah }
And you're dying to put it on me girl
There's no denying that

[Chorus:]

So can I get one more chance to hear you just say yes
Yeah, yeah, yeah
Cause if I wrap my arms around you
I promise I won't let go
{ I won't let go }
Girl I'm telling you
I kno nobody
Ain't gone kno yo body
Like I kno yo body
{ No, no, no, no }
I'm gone make it special
A night you'll neva forget
Yeah, baby I just want for you to say yes

[Verse 2:]

I kno that you don't like to sneak around
Relationships are built upon trust
And yeah you got a man that holds you down
But he ain't gotta kno about us
And if you eva feelin freaky girl
You kno my number ain't gonna change
I'll lay your body nice and easy girl
My stroke is still the same

[Chorus:]

So can I get one more chance to hear you just say yes

Yeah, yeah, yeah, yeah
Cause if I get you
I promise I won't let go
{ Ohhh, I won't let go }

Like I kno yo body bay
