Mami lookin fly everyday, must be her aka
She roll with me, I aint gotta tell her (she down)
So I know that she gotta be a delta
Aye, where them girls at? don't matter
Homie got em then he must be a kappa
They all know em when they come thru
And if they deep, then they must be Ques

Mami is a winner, she killin at dinner
When she walk, make me wanna go get her
And even though she faded, and shawty misbehavin'
I'm on her cause she so educated
And i, know she fly
End up tryna make her tell ah nigga why
And why, shouldn't I try
To make her get low and leave after the show

And you know what you reppin
If anybody got a question
Blow up them signs, tell em what it is
Let em know you take em as ah shiznit

Mami lookin fly everyday, must be her aka

So I know that she gotta be a delta
Aye, where them girls at? don't matter
Homie got em then he must be a kappa
They all know em when they come thru
And if they deep, then they must be Ques

Look at shawty steppin'
Her body is a weapon
She sweatin' my tag, so she checkin'
And even though I'm drinkin' she don't know I'm
thinkin'
I wanna take her down for the weekend
And we, gon' be, infocus like we on t.v.
Cause she want me, comin' at her like im in 3D

And you know what you reppin
If anybody got a question
Blow up them signs, tell em what it is

Let em know you take em as ah shiznit
