Yeah

Marcus Cooper with another-nother-nother bedroom  
banger

You gon let me fuck

Baby when I grab those hips

Baby when I kiss those lips

Baby when I lick that clit

Baby you, Baby you, Baby you, Baby you, Baby you

Tonight at the club, shorty said "I'm drunk" , girl got  
me feeling right

And all I'm thinking bout now, is how me and you gon  
fuck tonight

I know we just met but Ima need up you tonight

No need to front bout what we gon do tonight

So let you're body gooo, owwwww

Just go with the flow, tonight is yours

Baby I'm strapped and ready

So come up out them clothes

You gon let me fuck

Baby when I grab those hips

Baby when I kiss those lips

Baby when I lick that clit

Baby you, Baby you, Baby you, Baby you, Baby you

You gon let me fuck

Baby when I grab those hips

Baby when I kiss those lips

Baby when I lick that clit

Baby you, Baby you, Baby you, Baby you, Baby you

My tongue is moving in circles

All over your body

Baby close your eyes

And give it you got

Ima take it slooo-wer

You got that ooohâ€¦. aaahâ€¦damn!

Girl I sing so goo-oo-ood, now ima bout to bust

Uhhh..

You gon let me fuck

Baby when I grab those hips  
Baby when I kiss those lips  
Baby when I lick that clit  
Baby you, Baby you, Baby you, Baby you, Baby you  
You gon let me fuck  
Baby when I grab those hips  
Baby when I kiss those lips  
Baby when I lick that clit  
Baby you, Baby you, Baby you, Baby you, Baby you
