Tell me why tell me why
If I was just like everybody else you been with
Giving everything you could ever dream just spending
With the Louie V. just made for you
Trips over seas just for us two
You wouldn't love me tomorrow
If it was gone today.
Somebody tell me why I gotta drive a benz...
Or pop bottles in the club
Tell me why I gotta spend my years
Just for you to show a nigga love
That if I throw a couple dollars you'll be leaving with me
But in the morning you'll still go feeling lonely
This ain't love, (it ain't love)
It ain't love, (this ain't love)
This ain't love, (it ain't love)
If I'm the only one giving up
I see you used the finer things
Taking everything a man can give you
But those things that don't mean a thing
If there's nobody left to love you
You might not give a damn baby
But here's just something to think about
Think about, when you were alone and
Your wondering why
What just Louie v. just made for you
Trips overseas there's no more for you
'Cause you didn't love me
Thought it was gone now you leavin'
Somebody tell me why I got a drive a benz
Or pop bottles in the club
Tell me why I gotta spend my years
Just for you to show a nigga love
That if I throw a couple dollars you'll be leaving with me
But in the morning you'll still go feeling lonely
This ain't love, (it ain't love)
It ain't love, (this ain't love)
This ain't love, (it ain't love)
If I'm the only one giving up
I can only give it
One givin

I can only please you
How I please you
If... gotta wrong
You can be for love
Give my own to you babe
Never know... nothing
Could isn't love, could isn't love
Somebody tell me why I got a drive a benz
Or pop bottles in the club
Tell me why I gotta spend my years
Just for you to show a nigga love
That if I throw a couple dollars you'll be leaving with me
But in the morning you'll still go feeling lonely
This ain't love, (it ain't love)
It ain't love, (this ain't love)
This ain't love, (it ain't love)
If I'm the only one giving up
Somebody tell me why I got a drive a benz
Or pop bottles in the club
Tell me why I gotta spend my years
Just for you to show a nigga love
That if I throw a couple dollars you'll be leaving with me
But in the morning you'll still go feeling lonely
This ain't love, (it ain't love)
It ain't love, (this ain't love)
If I'm the only one giving up
