Okay (yeah)  
Squizzy, hehehehehe  
Let's go

Come along as I procede to show you how I do this shit  
It's really nuttin to this shit you get to blow and you da  
shit  
And plus the way I'm situated lawyers screamin shit  
you made it  
Niggaz need to change their flow cause that's the shit  
that gets you dated  
And there's nothin to it, I just jump into it plus it's fluid  
Got the gangsters bumpin to it, all the strippers humpin  
to it  
And I'm in the mix, got women squeezin in outfits  
Got mami squeezin on my dick and I ain't even leavin  
with the chick  
Eyyyy! (Ey) They call me D, I get it crackin  
Got a spot out in the A and keep a condo in Manhattan  
Never think that I'm just rappin, this is not a motion  
picture  
Beat you for your mug tonight and dump it in the ocean  
wit'cha  
So don't let emotion get you in a place where you don't  
wanna be  
You couldn't do a 1 to 3, and D there's only one of me  
So either way it's gonna be, a lot of pain and sufferin  
I go to war with anyone that gets in front of me

Yeahhh! Get up, get get up  
Yeahhh! You know I only came here to bust your shit up  
Whether in a trance or preoccupied  
This shit is krillz, y'all niggaz chill

Just take a second to decipher what I'm sayin  
Put my skills out on display and plus the shit that I've  
been layin  
Got the critics and the haters and the gangsters and  
the skaters  
Sayin "I ain't even know that he possessed a {?} flow"  
And I'm a vet but even so I'm still a fan I'm still a man  
Catchin me stealin on ya man, it's really nothin

But that's not really what I came here to do (uhh) now  
shorty tellin me all night  
She like my music but I know what she came here to do  
Man I feel as if you feel this shit then let me see you put  
your hands up  
In the air and ladies let me see you do it too  
We only wanna celebrate and get it crackin up in here  
So let me hear a little cheer before I be the dude to you  
See me shinin on the set but never whinin on a threat  
Got pretty diamonds on my neck like Frankie Lymon's  
on the set  
And you can be my little ditty pretty one and we can get  
it in  
Get to know each other reconnect and do the shit again
