Yeah!

Scratch you a monster for this one baby

Okay

Geah!

Yes when I move it's kinetic, the groove is emphatic  
You dudes is synthetic, fools are just deaded  
You snooze I don't wet it, peruse I don't let it  
Amused I just set it and you - too generic  
In truth it's pathetic, uhh, life is short  
I take mine off the top, sippin wine off a yacht  
Blow your mind off the top; and you sensitive thugs  
All need to get your mind off the jock  
I'm incredible, I gets my bread with no hams  
Turn a menage with no plans  
You beggin a broad to hold hands  
So fuckin with a dude like me is no chance  
(No chance) the five star gen-e-ral  
Colorless VVS min-e-rals  
I'm back on the block, it's been a while  
(Been a while) potent like the beige rocks in a vial,  
OHH!

Can't you see, you ain't D  
You can't be, me-me-me-me-me  
It's just me, it must be  
You can't be, me-me-me-me-me  
It's crazy, oooh baby  
You can't be, me-me-me-me-me  
Can't you see, this is key  
You can't be, me-me-me-me-me

Benjamin Grimm, man of stone  
Brand new Audi hatch in tan and bone  
I'm chillin with a cold can abode, in the hood  
Where I hear damn D, throw your man a bone  
Exsquizzzy, just be LV's and Air Max  
Crispy I'll beats and bear facts  
The broads measure it up in bare backs  
At an undisclosed location in Fairfax  
And I keep the haters feelin malevolent  
How does he stay fresh and stay relevant

The pen game is still sharp well that's evident  
Some says "Stunts, Blunts" set the precedent  
Hey~! I'm just a fan of the shit  
And I ain't gotta lie and start fannin the shit  
Grown man with a wit, c'mon, in the V.I.P.  
Doin me with my hand on a tit, uhh
