Yo baby!  
You ready to let the games  
begin.  
Cause I'm ready  
On your mark get set here we go

Chorus:  
Girl I hope that you will stay  
So we can play this little game we play  
You go hide and I will seek  
Let me be the one to make you weak

Boy I really wanna stay  
And play that little game you play  
When you go hide and I will seek  
Let me be the one to make you weak.

Verse:  
Ah yeah first verse  
thinking about you.  
Everyday. you got me feeling kinda of freaky  
Girl why you want to leave me that way.

Boy I don't want to leave you.  
So I'll stay for a little while.  
But we play by my rules  
Cause me and losing just ain't my style  
No, NO, No, No

Chorus:

Verse:  
Oh, so you wanna run things (uh, hun)  
Well that's cool with me  
You better know what your doing (I Know)  
Girl, I'm a hard one to please

well talk is cheap  
Let's get right to it  
Let the fun and games begin  
Boy I'm ready to do this

Chorus:

Verse:

It's your move baby (It's your move baby)  
So show me what you got (Show me what you got)  
But when it's my turn (But when it's my turn)  
The game is going to hot

I like what your saying  
Boy it sounds real good, real good  
But are your ready for a real woman  
To test your man hood

This little game that we play  
It's just a little game that we play  
A little game that we play  
It's just a little game that we play  
Baby don't start if you think you can't finish  
Come prepared if you think you're gonna win this  
Give it your best shot  
Give me all you've got  
Guaranteed to make you hot.  
Make me hot baby, Ooh  
I wanna play this game with you  
So, don't be no fool  
You've gotta play by my rules.

Chorus:
