When you're alone with me  
I know that this could be..

*[Verse:]*

I can't help myself baby although I try  
You're the flame that turned into a fire  
And baby there's someone else in my life  
But what you got, it keeps on callin

When you're alone with me  
I know that this could be

*[Chorus:]*

Trouble  
But I'm down to take a chance  
Trouble  
Cause I kinda got a man  
Trouble  
And I don't know what to do  
Trouble  
Cause I'm really feeling you

When you're alone with me  
I know that this could be

*[Verse:]*

You don't know if he finds just what he'll do  
So I'm telling you that there's a lot to lose

If he knew what we did, he'd act a fool  
So lets be smart about this baby

When you're alone with me  
I know that this could be

*[Chorus]*

When you're alone with me  
I know that this could be

*[Bridge:]*

As we proceed

(tell me if you're really sure)  
I'm what you need  
(can you handle what's in store)  
I know it's wrong  
(but the way I feel for you is strong)  
If this keeps going on this could be dangerous

When you're alone with me  
I know that this could be

Trouble  
Trouble..

When you're alone with me  
I know that this could be Trouble
