Will you be ok
If I go away?
Wish that I could stay
Say you'll be ok

Baby, I know that it hasn't been long
And yet it seems our likin' has grown into love
Baby, you know that we knew all along
That in a little while I'll be gone
Still I need to know, if I go

Will you be ok
If I go away?
Wish that I could stay
Say you'll be ok

Baby, I can tell by the look in your eyes
You're tryin' to hide what you're feelin' inside but go on
and cry
Baby, I know I can't promise you when
But we're gonna see each other again
Until then I gotta know if you're ok

Believe me, I don't really wanna believe in
That you can always call me when you need me
It'll be ok, it'll be ok
You know, it doesn't really matter where I go
'Cause I'll be keepin' you in my heart
So you're never far away

Will you be ok
If I go away?
Wish that I could stay
Say you'll be ok

Will you be ok
If I go away?
Wish that I could stay
Say you'll be ok

Believe me, I don't really wanna believe in
That you can always call me when you need me

It'll be ok
You know, it doesn't really matter where I go
'Cause I'll be keepin' you in my heart
So you're never far away

Will you be ok
If I go away?
Wish that I could stay
Say you'll be ok

Will you be ok
If I go away?
Wish that I could stay
