Will you be ok
If I go away
Wish that I could stay
Say you'll be ok

Baby
I know that it hasn't been long
& yet it seems our likin'
Has grown into love
Baby
You know that we knew all along
That in a little while
I'll be gone
Still I need to know
If I go

Will you be ok
If I go away
Wish that I could stay
Say you'll be ok

Baby
I can tell by the look in your eyes
You're tryin' to hide what you're feelin' inside
But go on & cry
Baby
I know I can't promise you when
But we're gonna see each other again
Until then I gotta know if you're ok

Believe me
I don't really wanna believe in
That you can always call me
When you need me
It'll be ok
It'll be ok

You know
It doesn't really matter where I go
Cuz I'll be keepin' you in my heart
So you're never far away

Will you be ok
If I go away
Wish that I could stay
Say you'll be ok

Will you be ok
If I go away
Wish that I could stay
Say you'll be ok

Believe me
I don't really wanna believe in
That you can always call me
When you need me
It'll be ok
It'll be ok

You know
It doesn't really matter where I go
Cuz I'll be keepin' you in my heart
So you're never far away

Will you be ok
If I go away
Wish that I could stay
Say you'll be ok

(Repeat till end)
