Day after day your whole life's a wreck  
The powers that be just  
Breathe down your neck  
You get no respect  
You get no relief  
You gotta speak up  
And yell out your peace

So back off your rules  
Back off your jive  
Cause I'm sick of not living  
To stay alive  
Leave me alone  
I'm not asking a lot  
I just don't want to be controlled

That's all I want  
That's all I want  
That's all I want  
That's all I want

How many times is it gonna take  
Till someone around you hears what you say  
You've tried being cool  
You feel like a lie  
You've played by their rules  
Now it's their turn to try

So back off your rules  
Back off your jive  
Cause I'm sick of not living

To stay alive  
Leave me alone  
I'm not asking a lot  
I just don't want to be controlled

That's all I want  
That's all I want  
That's all I want  
That's all I want

I said it before  
I'll say it again  
If you could just listen  
Then it might make sense

So back off your rules  
Back off your jive  
Cause I'm sick of not living  
To stay alive  
Leave me alone  
I'm not asking a lot  
I just don't want to be controlled

That's all I want  
That's all I want  
That's all I want  
That's all I want
