I know it's somebody, somewhere, homie

But I wanna celebrate witcha

[2x]

Gotta be somebody the police chasin' that done got
away
Gotta be somebody 'round the world today that'll beat
they case
Gotta be somebody 'round the world got off probation
today
Gotta be somebody 'round the world walkin' out them
prison gates

[Verse 1]

I'm happy for that nigga, today, that done came home
And got that time behind 'em, now it's time to move on
I'm celebratin' witcha, the reason I wrote this song
Hope you done became a better person since you been
gone
I salute you, my nigga, dawg, for stayin' strong
Now, getcha feet up unda ya, homie and keep it goin'
I hope ya walk straight, don't make the wrong turn
Them cracks waitin' to send you off on anotha long run
Just enjoy yaself tonight and have fun
And don't go fuckin' wit them niggas who ain't send ya
nothin'
And if ya got kids, go'n get 'em and catch up
I'm celebratin' wit' you tonight, I'm holdin' my cup up

[2x]

Gotta be somebody the police chasin' that done got
away
Gotta be somebody 'round the world today that'll beat
they case
Gotta be somebody 'round the world got off probation
today
Gotta be somebody 'round the world walkin' out them
prison gates

[Verse 2]

He took them crackas to the do' and he beat 'em in trial
A lot of niggas thought you was gon' lose but you held
it down

All I can tell you, homie, you made all the real niggas
proud

They offered you a plea bargain, but you turned it
down

Stood in the paint, what you believed in, you did it in
style

I know your family, they was worried, but now they can
smile

Should be happy 'cause ain't too many of us beat 'em
in awhile

Just be careful in these streets 'cause this shit done got
wild

A lot of niggas fucked up, so they playin' it foul

He was your homeboy, he your co-defendant now

If you gon' get money, get it, but lose the crowd

Niggas in prison 'cause they homeboys ran they mouth

[2x]

Gotta be somebody the police chasin' that done got
away

Gotta be somebody 'round the world today that'll beat
they case

Gotta be somebody 'round the world got off probation
today

Gotta be somebody 'round the world walkin' out them
prison gates

[Verse 3]

To that young nigga who took 'em on a high-speed
chase

Ain't condonin' whatcha did, I'm just glad ya got away

I know ya heart beatin' fast, I'm just glad ya safe

Shit, you had to hit it, you couldn't afford another case

You tried to play cool, but you shoulda seen your face

Git a muthafucka, lost 'em in broad-day

Doin' a-hundred, dawg, goin' down a one-way

Jumped out on 'em, turned into a foot race

Git know the streets, so they couldn't keep they pace

He had to throw his pistol, they find it, that's okay

You ain't gotta do it, but for you I'ma celebrate

Do me a favor, dawg, stay out them cracka face

[2x]

Gotta be somebody the police chasin' that done got
away

Gotta be somebody 'round the world today that'll beat

they case
Gotta be somebody 'round the world got off probation
today
Gotta be somebody 'round the world walkin' out them
prison gates
