I'm on 'gnac, she on Goosey  
All my niggas keep they toolie  
I'm in Chevy, he in Dualie  
Me and my niggas, we finna make a movie

[Verse 1]

Six Chevy's, back to back  
I drink brown, they drink white  
Paint wet, engine tight  
This our city, we run lights  
Hustle all day, stunt at night  
Pistol on lap, who gon' jack  
Pulled up, Da REAList, pourin' out da whips  
Time to show, who got chips  
My dawg trippin', left his clip  
Liquor store, one mo' fifth  
Hog in the trunk, beatin' in yo ear  
Mids screamin', highs clear  
Spunt a stack, on my gear  
Fuck them niggas, our year  
Motion picture, right here  
Stop this bitch, let's make a movie right here

[Verse 2]

Better grab a seat and some popcorn  
'Cause me and my niggas finna put on  
Some in the streets, all of 'em strong  
Couple my niggas just came home  
Ridin' candy, sittin' on chrome  
Pants hangin', grill showin'  
Wildin' hard, every set we on  
Catch me standin' on the hood of my (throne?)  
We don't play nothin' but my songs  
Them niggas ain't real they just rap, homes

'Fore it's over, money gettin' thrown  
Holdin' up traffic, are we wrong

[Hook-2]

[Verse 3]

Over to the club, we shuttin' it down  
Ain't no secret when I'm in town  
Party's closed, says who, Plies  
Here you go, couple thousand  
In this corner, only goons allowed  
All the goons, we makin' 'em proud  
My dawg on pills, let him wild  
Just give him a water and a towel  
Right song, come on, bop through the crowd  
Wanna crank up the club, put on Plies  
Time to throw money, I ain't threw it in awhile  
Slangin' money, let it pile

[Hook-2x]
