Plies baby

This time ima do it with my lil homies pleasure and trey songz baby

[Pleasure:]

You got me saying my, my, my, my, my, my, my

Shawty looks good tonight

Look at my shawty, look at my shawty, look at my shawty

[Chorus: Pleasure]

From the first time we made love

I knew you were my (shawty)

And when I did that bid you always had my back

Cause you are my (shawty)

That why I don't mind kicking up with you

Cause you are my (shawty)

And girl I love all the freaky things we do

Cause you are my (shawty)

[Plies:]

Don't call her shawty no more I call her my bussy baby

Told her if she ever let me fuck I was gone run her crazy

I gave her some of this sweet meat now I got her craving

Felt sorry for my baby how I left her shaking

Told her don't move let me wipe you off baby

Kissed her in the mouth and told her I love how she take it

Put her head on my chest and fell asleep naked

She was shy when I met her but now she participating

Keep the lights on so I can see her she amazing

Sexy as hell I love to watch her while she baving

Come and wake me up to help her when she shaving

She my bussy baby she smile when I say it

[Trey songz:]

My, my, my, my, my, my, my
Shawty looks good tonight
Look at my shawty, look at my shawty, look at my
shawty

[Chorus: trey songz]

From the first time we made love
I knew you were my shawty
And when I did that bid you always had my back
Cause you are my shawty
That why I don't mind kicking up with you
Cause you are my shawty
And girl I love all the freaky things we do
Cause you are my shawty

[Plies:]

You know she bad cause she walk with her nose in the
air
She fine in everything don't even matter what she wear
To get her started I just run my fingers through her hair
You know it's mine cause she let me give to her bare
I broke bread with her to show her a goon care
What I love about bae she turn me on anywhere
You know she bad she fucking you can't help but stare
I knew I had her when she told me bae I don't share
I told her me neither cause I don't put my tongue
everywhere
She ask me was it good to her I told her hell yeah
I had to teach her a lil bit I took her from a square
I put my stamp on her it's all mine I made it clear

[Trey songz:]

My, my, my, my, my, my, my
Shawty looks good tonight
Look at my shawty, look at my shawty, look at my
shawty

[Chorus: pleasure]

From the first time we made love
I knew you was my shawty
And when I did that bid you always had my back
Cause you are my shawty
That why I don't mind kicking up with you
Cause you are my shawty
And girl I love all the freaky things we do (auuuu!)
Cause you my shawty
