Chorus x3

Somebody loves you baby  
Somebody loves you baby

Verse 1

Wish I can hug every nigga who done lost trial  
And go see all da ones who aint been visited in a while  
And see all da goons dats down wish I can help em  
smile  
To show all my niggas I love em I'll walk a 100 miles  
Bless my dawg who got killed in his own house  
Help em pull thru if dey on life support now  
Da only thing I live 4 is to make my son proud  
My heart go out to all these young niggas dats runnin  
wild  
I said a prayer for all da mamas who done lost dey  
child  
Da 12 year old who wanna f\*\*k God slow her down  
Her life all in shambles help her to turn around  
Please reach out and help her God before she drown

Chorus x2

Somebody loves you baby  
Somebody loves you baby

Verse 2

I know dat feeling when it feel like nobody care  
When you going thru yo problems seem like nobody  
there  
I started to question myself if God really care  
Sometime I cut off all da lights in da room and stare  
Wonder if he brought me this far to drop me off here  
I know it seem like sometimes life aint fair  
They say da only thing you count on in dis world is  
prayer  
I prayed so much dat I thought dat God couldn't hear  
Cuz I done been thru so much bullshit dis past year  
It's hard now to find motherf\*\*kas now dats sincere  
Da streets make so hard for you to think clear

I'd give up all dis shit to have my brother here

Chorus x2

Somebody loves you baby  
Somebody loves you baby

Verse 3

I got a call from my home girl her mama died  
Somebody home invaded took her mama life  
I just held da phone and listen to her cry  
She kept repeating herself all she asked is why  
Can only imagine what she going thru on da inside  
Cuz when my brother went to prison half me died  
Aint nothin more precious in da world homie than life  
Gotta take da good wit da bad and take it in stride  
Da right amount of pressure can make you commit  
suicide  
Imagine pressure on a nigga who can't provide  
When everything goin wrong it's hard to do right  
If u goin thru right now all I wanna say is...

Chorus x2

Somebody loves you baby  
Somebody loves you baby
