I'm hear to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the highlife

Never needed real emotion
I get my feelings from a magazine
I don't know where you got the notion
I be the one fullfilling all your needs

I'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the highlife

Get physical tonight
The world's alive
Get physical in the light
This is our time
Get physical tonight
We're riding high
Get physical in the light
Going out, feel alright

It's a magical night
It's a magical night
It's a magical night
It's a magical night

You can't desert me
I'm always going when I just arrived
There ainÂ´t no memories gonna hurt me
Cause all I live for is tomorrow night

I'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the highlife

Get physical tonight
The world's alive
Get physical in the light

This is our time
Get physical tonight
We're riding high
Get physical in the light
Going out, feel alright

It's a magical night
It's a magical night
It's a magical night
It's a magical night

Sorry, I'm not a lady
I ain't afraid to pick a fight
I'm here to concquer the dancefloor
And the limelight delight

I'm here to tell you that
I'm fleeting like a butterfly
There's no denying that
I always loved the highlife

Get physical tonight
Get physical in the light
Get physical tonight
Get physical in the light
Going out feel alright

Get physical tonight
The world's alive
Get physical in the light
This is our time
Get physical tonight
We're riding high
Get physical in the light
Going out feel alright

Get physical tonight
Feel alright
Get physical in the light
Going out, feel alright
It's a magical night
