Oohh, my love

The first time that you spoke my name  
It's somehow sounded not the same  
It's like I knew from that moment on  
That this is what I'm living for  
Fate had opened up the door  
And who am I to say  
That heaven could be wrong

If it's all I ever do  
I will give my heart to you  
And I will do it faithfully  
Until the end of time  
When they carve my name in stone  
At least I know they'll know  
That in this life I've made mistakes  
But I did one thing right  
Cause I will spend forever loving you  
If it's all I ever do, my love

Baby when I look at you  
Standing there so pure and true  
I don't know what I did to deserve  
The way you smile, the way we touch  
The way you kiss, it means so much  
I must be the luckiest man  
In the whole wide world

If it's all I ever do  
I will give my heart to you  
And I will do it faithfully  
Until the end of time  
When they carve my name in stone  
At least I know they'll know  
That in this life I've made mistakes  
But I did one thing right  
Cause I will spend forever loving you  
If it's all I ever do

And you'd do anything on earth for me  
And it makes me love you more

Cause baby you're the only love I need

If it's all I ever do  
I will give my heart to you  
And I will do it faithfully  
Until the end of time  
When they carve my name in stone  
At least I know they'll know  
That in this life I've made mistakes  
But I did one thing right  
Cause I will spend forever loving you

Yes I will  
Cause I will spend forever loving you  
If it's all I ever do, my love
