Go go go go
Go go go go

I'm feeling hot today
I'm gonna make you sway
So when I count to four
We're going out that door
It's time to hit the floor

Olé Olé, come on let's get exited
Olé Olé, we'll never be divided
All around the world every boy and girl
Raise your hands and say Olé Olé

Remember when we sang
Just like a boomerang
So all the girls and boys
You have to raise your voice
It's time to make some noise

Olé Olé, come on let's get exited
Olé Olé, we'll never be divided
All around the world every boy and girl
Raise your hands and say Olé Olé

Olé Olé, come on let's get exited
Olé Olé, we'll never be divided
All around the world every boy and girl
Raise your hands and say Olé Olé

Olé Olé, go go Andrés
Olé Olé, go go Andrés
Olé Olé, go go Andrés
Olé Olé, go go

(Come on!)

Olé Olé, come on let's get exited
Olé Olé, we'll never be divided
All around the world every boy and girl
Raise your hands and say Olé Olé

OíÃ© OíÃ©, come on let's get exited
OíÃ© OíÃ©, we'll never be divided
All around the world every boy and girl
Raise your hands and say OíÃ© OíÃ©

All around the world every boy and girl
Raise your hands and say OíÃ© OíÃ©
