Loving you the way I do
And all this things that we've been through
Make me sad, make me mad

Finally that we're apart
There's only sorrow in my heart
Hard to say, I'm okey

Cause I would die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Now that you are here no more
The nights are longer then before
Hard to say, I'm okey

Cause I would die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Cause I would die for you!
