I've been searching for another
Since the day you broke my heart
Why do things just have to fall appart?
Can't you see I'm going crazy
Trying to escape the past
I must believe that love was meant to last

Moro mou, my baby
This feeling drives me crazy
Believe me, moro mou
You're all I need

I've been longing for your loving
And I've been creaving for your touch
It's your love I want, I need so much
Can't you see I'm going crazy?
Can't you see I've lost control
Don't you hear I'm calling for your love?

Moro mou, my baby
This feeling drives me crazy
Believe me, moro mou
You're all I need

Moro mou, my baby
This feeling drives me crazy
So tell me, you feel me
I need your love

Can't you see I'm going crazy
Trying to escape the past
I must believe that love was meant to last

Moro mou, my baby
This feeling drives me crazy
Believe me, moro mou
You're all I need

Moro mou, my baby
This feeling drives me crazy
So tell me, you feel me
I need your love
