When I think about your empty promises
All the lies you said to me about you
Makes it easier for me to realise
That I'm better off living without you

I will tell you once
I will tell you twice
You have got a heart as cold as ice
I've got nothing left
Tears are running dry
I believe it's time to say goodbye

All the sleepless night that I have wasted
Trying to find a reason to forgive you
After all the things you said and never done
How do you expect me to believe you

I will tell you once
I will tell you twice
You have got a heart as cold as ice
I've got nothing left
Tears are running dry
I believe it's time to say goodbye

I will tell you once
I will tell you twice
You have got a heart as cold as ice
I've got nothing left
Tears are running dry
I believe it's time to say goodbye

Y'Allh mia fora
Prepi na sou po
Po ste' ephtani na se symphoro
A Thelis kai dyo
Na ma ste kala
Mathe prota sena, n'Maghapas

I will tell you once
I will tell you twice
You have got a heart as cold as ice
I've got nothing left

Tears are running dry
I believe it's time to say goodbye

I will tell you once
I will tell you twice
You have got a heart as cold as ice
I've got nothing left
Tears are running dry
I believe it's time to say goodbye
