Temptation in my heart
I'm burning, I fall apart
When the night falls
My heart calls for love and devotion

To asemoneshqam to bodi
Setareye man to bodi
Esme to hast setare
Biya pisham dobare

Un moohaye meshkit mano kosht
Chesh maye zibat mano kosht
Bia bia pishe man dobare
Yalla bego are, setare

Temptation in my heart
I'm burning, I fall apart
When the night falls
My heart calls for love and devotion

Temptation! I Want you
Can you be my only one
When the night falls
My heart calls for the touch of your hands

Hama fekre khialam to hasti
Donya ye man to hasti

Temptation in my heart
I'm burning, I fall apart
When the night falls
My heart calls for love and devotion

Temptation! I Want you
Can you be my only one
When the night falls
My heart calls for the touch of your hands

Man Enshab toro mikham
