Huh

Yeah ha ha ha ha, woo  
Ha ha ha ha

I may run and hide  
When you're screaming my name, alright  
But let me tell you now  
There are prices to fame, alright

All of our time spent in flashes of light

All you people can't you see, can't you see  
How your love's affecting our reality  
Everytime we're down  
You can make it right  
And that makes you larger than life

(Alright)

Looking at the crowd  
And I see your body sway, come on  
Wishing I could thank you  
In a different way, come on

Cause all of your time spent keeps us alive

All you people can't you see, can't you see  
How your love's affecting our reality  
Everytime we're down  
You can make it right  
And that makes you larger than life

(Larger than life)  
(Yeah, heh heh, that's right)

All of your time spent keeps us alive...

All you people can't you see, can't you see  
How your love's affecting our reality  
Everytime we're down  
You can make it right

And that makes you larger than life

Yeah, everytime we're down

Yeah, you can make it right

Yeah, that's what makes you larger than life

Yeah, yeah

All you people can't you see, can't you see

How your love's affecting our reality

Everytime we're down

You can make it right

And that makes you larger than life

(That makes you larger than life...)

That makes you larger

That makes you larger than life

Huh
